

Hi Joanie,

I am sorry this took so long. I haven't opened mail since Bob went in. It has been much for difficult for me I think than it has for Bob. He seems to have settled in with a few bumps but not too much.

Thanks for everything you did for us for those six months. I couldn't have made it without you. It is so obvious that you "been there done that" so that you know what people need. You do it well and I thank you again.

*Best wishes
